

Hemas Pharmaceuticals, Surgicals & Diagnostics is a leading Importer and Distributor of Pharmaceutical, Surgicals and Diagnostics Products in the Sri Lankan market adding much value to the healthcare industry for over seven decades. We represent over 30 Prestigious Multi-National Pharmaceutical, Surgicals and Diagnostics Manufacturing Companies Globally.

We are in the search for a professional to join us as Senior Executive Regulatory Affairs -Devices.

Job Profile

This role will take responsibility to manage and execute the regular aspects of assigned devices in accordance with company policy, rules and regulations of Sri Lanka within the stipulated time requirements. This is an ideal opportunity for a professional to further develop in the regulatory specialization with many opportunities for long term career growth. The person will partner the business and provide advise to the management on regulatory aspects specific to devices and will be expected to be updated with changes in the sphere of government regulations.

Senior Executive Regulatory Affairs -Devices

The person we seek must have progressive hands on exposure in the realm of regulatory affairs in the sector specifically handling devices. The person must ensure strict compliance with standards and regulations including management of all aspects related to new device registration and renewals.

- BSc in Biotechnology/be a Registered Pharmacist
- 3-4 years hands on exposure in the industry
- Demonstrated ability to coordinate and negotiate with the authorities for approvals
- Good ability of deal with multiple stakeholders and manage stringent deadlines
