

# Public Utilities Commission of Sri Lanka

## Member - Consumer Consultative Committee (Sabaragamuwa, Central & North Western Provinces)

The Public Utilities Commission of Sri Lanka (the Commission) is the economic, technical and safety regulator of the electricity industry in Sri Lanka. As the electricity regulator, protection of the interests of consumers is one of prime objectives of the Commission. The Commission has established a Consumer Consultative Committee (the CCC) to advise the Commission on appropriate standards to be prescribed or determined under the PUCSL Act..

The provincial member positions of Sabaragamuwa, Central & North Western Provinces of the CCC have been vacant and the applications are called from permanent residents in the Sabaragamuwa, Central & North Western Provinces, who are keen in consumer protection and are willing to be members of CCC.

### **The applicants should possess the following attributes:**

- less than 65 years of age, as at the date of this notice;
- proven interests in community/social service (preferably in consumerism);
- working knowledge in English language is preferable, in addition to Sinhala or Tamil languages.

### **Every application shall be accompanied with:**

- a brief essay (not more than 500 words) on “Consumer Protection in Sri Lanka”
- a certificate of the residency issued by the Grama Niladhari
- a character certificate issued by a civil society leader in the area

The position to be marked on the top left corner of the envelop or as the subject line of the email.

**Please submit your CV before 21/08/2020 to:**
