

Selection of Individual Consultants

Smallholder Agribusiness Partnerships Programme (SAPP)

Ministry of Agriculture

Smallholder Agribusiness Partnership Program (SAPP) is implemented under the Ministry of Agriculture and it has been jointly funded by the Government of Sri Lanka and the International Fund for Agricultural Development (IFAD). The SAPP is designed to contribute Sri Lanka's smallholders' poverty reduction and competitiveness. The program development objective is to sustainably increase the income and quality of diet of 57,500 smallholder households involved in commercially-oriented production and marketing systems. The SAPP program is instrumental to achieve GOSL priorities under the national policy framework on rural development through Public, Private, Producer Partnerships (4Ps).

Applications are invited from the citizens of Sri Lanka with the below mentioned qualifications to fill the above vacancy in the Programme Management Unit.

The ideal candidates for the following **positions** should be highly ambitious, result-oriented with proven leadership & negotiation skills, exceptional team management abilities and excellent interpersonal skills.

1. Consultant - Environment and Climate – 01 position
