## Management Trainee – Quality Assurance

We are looking for a dynamic individual with a passion for pursuing a career in the apparel industry. The ideal candidate should be an energetic, team player with excellent communication, a proactive attitude, and the ability to be self-motivated and work independently to achieve tight deadlines.

### Job Role

- Work closely with Group Head of Quality Assurance to drive the overall Quality Assurance strategy for the group.
- Coordinate with group manufacturing facilities located in island wide.
- Collect data and other necessary information to prepare comprehensive reports.
- Conduct in-depth statistical analysis by using raw data to make effective decisions.
- Collaborate with different teams and create a platform to record quality control initiatives, and process optimization efforts.
- Assist Group Head of Quality Assurance to implement effective SOPs procedures, Manuals, Policies related to Quality Assurance.
- Stay informed about changes in relevant regulations and standards of the brands-buyers.

### Individual Profile

- Degree /Diploma or equivalent qualification in Statistics, Data analysis, Information Technology or a related field.
- Fresh and young graduates are also encouraged to apply. 1-2 years of experience would be an added advantage.
- Strong analytical skills and presentation skills.
- Excellent communication and collaboration skills to work effectively with cross-functional teams.

We make sure that the right candidate will be offered an attractive and competitive remuneration package aligned with the market rate commensurate with qualifications and experience.

If you are confident with the above perquisites, please forward your CV within 10 days to [careers.hr@maliban.com](mailto:careers.hr@maliban.com)
