

AEN Palm Oil Processing (Pvt) Ltd. is a joint venture of Agalawatte Plantations PLC, Elpitiya Plantations PLC and Namunukula Plantations PLC managed by three established blue-chip companies in Sri Lanka; Macwoods PLC, Aitken Spence PLC and Richard Pieris PLC respectively. Approved by the Board of Investment of Sri Lanka, the project is FSSC 22000 and OHSAS 18001 certified. We require a dynamic, result oriented, and highly motivated individual to be a part of the Spensonian family.

Management Trainee

The ideal candidate should possess a BSc in Electrical Engineering from a recognized University/Institute. Excellent communication, interpersonal, and problem-solving skills, proficiency in PLC programming and VFD control systems, exposure to CAD software (Solid Works/AutoCad), an understanding of Project Management, along with the ability to multi-task while collaborating with a diverse team in a fast-paced environment are key attributes and competencies sought.

Main duties and responsibilities include:

- Assisting in ensuring a smooth daily operation within the Engineering Division
- Developing and maintaining strong working relationships with all key stakeholders
- Evaluating and recommending improvements to policies/procedures
- Ensuring compliance with local/international standards
- Preparing ad-hoc reports for Management information

Apply via Topjobs or email your curriculum vitae to careers@aitkenspence.lk together with the names of three non-related referees. Indicate the position applied for and the company name on the subject line of the email when sending your CV. Only short-listed candidates will be notified.
