

Management Trainees – Production

We are the leading and most versatile Apparel Accessories Manufacturer in South Asia with over 45 years of progress, having 04 modern manufacturing facilities in Sri Lanka, Bangladesh, and Egypt with over 4000 employees.

Due to our continuous Research & Innovation for product advancement, we need dedicated and innovative young men for the above positions to be nurtured to become versatile Production Managers to lead our ever-growing modern factories in Asia/ Africa region.

- Young men with NDT Textile, BSc. Physical /Polymer Science, Higher diploma in Textile are invited.
- Experience in Textile production is an advantage though not essential.
- MS Office package (Excel/PowerPoint/Visio/Outlook) and good data analytical skills with knowledge in ERP systems are advantageous.

A pleasant working environment and above average attractive package including Free Accommodation with meals (if necessary) offered upon a very informal and friendly interview.

Please apply within 07 days to careers@naturub.com.
